wrong? What do you mean by "that"?
Oh well... You know, it just seems he hasn't changed at all.
I'm sure you already know how fickle Landon can be! He says one thing and then does the total opposite after

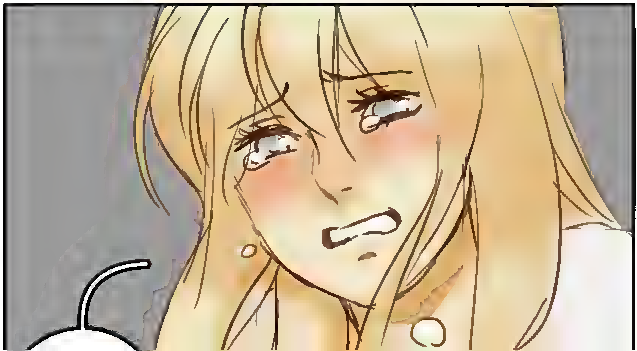
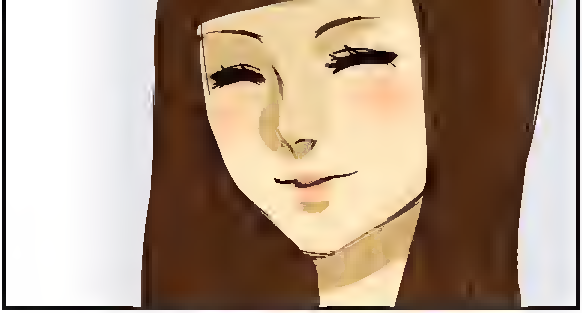
...
Is there something wrong?



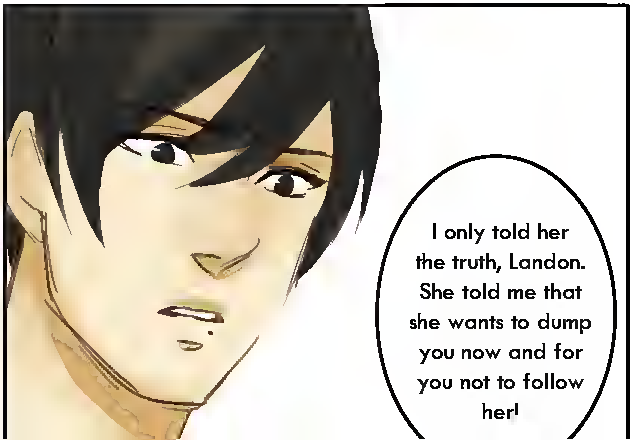
Cut the crap, Saya. What did you say to her?

think we have time for that.
I have to fetch some important documents from my mother, so maybe you can save that talk for next time.
C'mon, Landon! Can't you just go on your own



Ah, no wonder! Why didn't you tell me sooner? Landon never brings *just* anyone with him!

I'm just so surprised. You don't seem like his type at all! Just kidding~ he/he

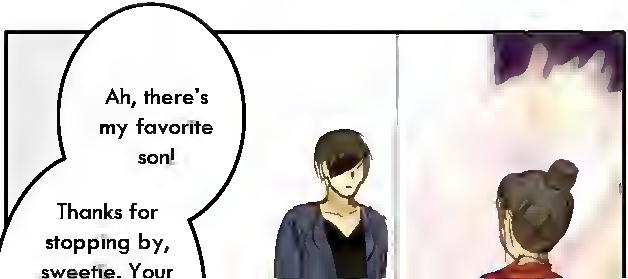


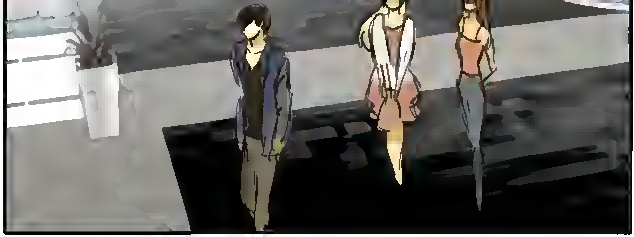
I only told her the truth, Landon. She told me that she wants to dump you now and for you not to follow her!

Oh-- In thot cose, I don't wont to be o bother. I wouldn't mind wotting here ond tolking to Soyo!
You look tense. Whot's the motter, London? Scored I'm gonno soy something bod to your girlfriend? You don't hove onything to hide, do you?

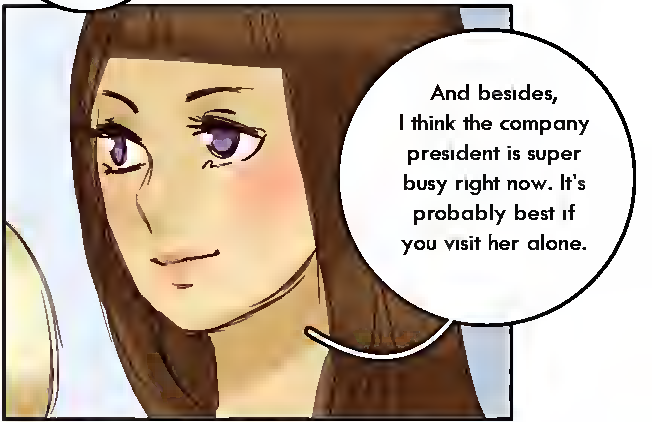
He'll leave you without blinking an eye and move on to the next girl.

Or the fact that this place reminded me of all the wrongs I have done in the past.

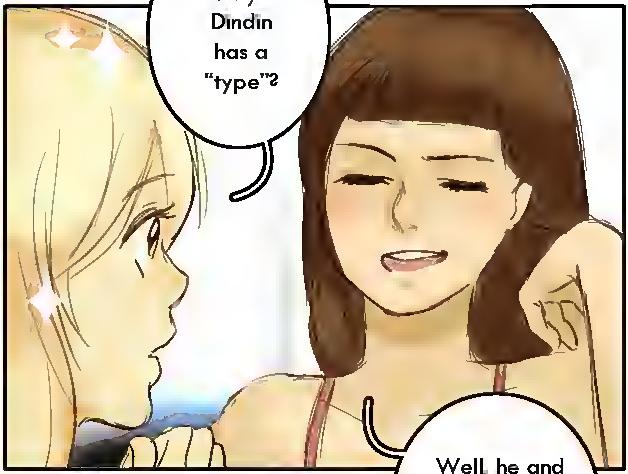




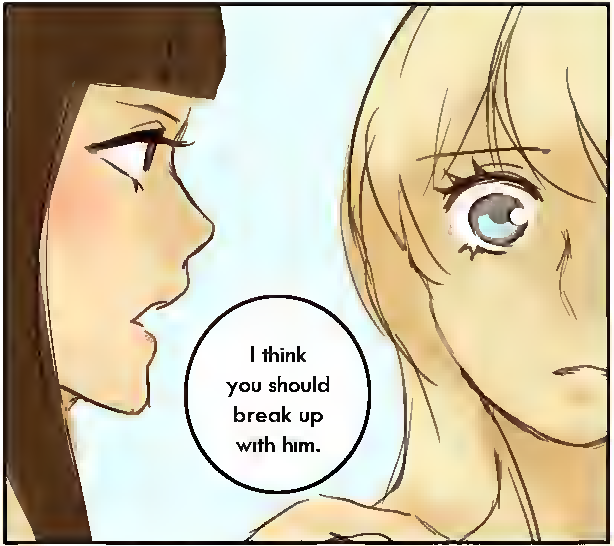
I didn't know whether thot uneasy feeling in my stomoch wos coused by my worriness towords Soyo...



And besides, I think the company president is super busy right now. It's probably best if you visit her alone.



Gasp!
Dindin has a "type"?
Well, he and I have dated before in the past



I think you should break up with him.

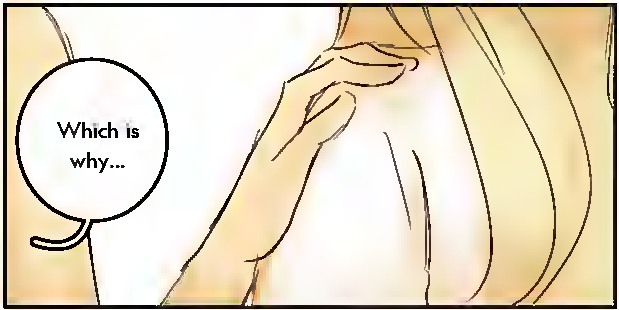
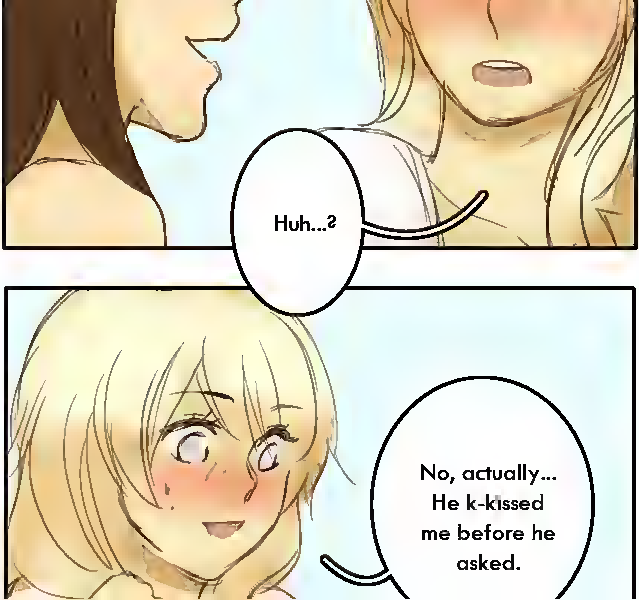
It'd be a shame
to have your heart
trampled by him.



Which is
why...



Huh...?
No, actually... He k-kissed me before he asked.

Listen, London... Your sister has worked very hard to get to where she is right now.
All I'm asking is for you to be on your best behavior when the press comes to your
